CUSTOMER RATING

1. COMPANY OVERVIEW & PHILOSOPHY

R.K Ceiling Solutions (R.K Enterprises) is a trusted turn-key false ceiling and interior surface contractor in Mumbai. Backed by over two decades of hands-on technical craftsmanship, we deliver high-precision residential, commercial, and institutional ceiling transformations. Operating directly on-site with specialized execution crews, we combine structural durability with clean aesthetic finishes.

2. OUR SPECIALIZED SERVICES

1. Designer False Ceilings (Residential)

Multi-tier tray designs, floating island concepts, curved POP borders, and concealed cove/profile LED troughs.

2. Commercial Grid & Modular Ceilings

High-speed acoustic T-grid installations for offices, retail hubs, malls, and institutional spaces.

3. Gypsum Board & Drywall Systems

Seamless plain false ceilings, fire-rated partitions, and light-gauge steel framing assemblies.

4. Wall Punning & Surface Leveling

High-grade POP punning delivering zero-undulation, mirror-finish walls for luxury paint applications.

5. Decorative Cornice & Moldings

Hand-crafted architectural borders, ornamental plaster molding, and modern geometric accent walls.

6. Acoustic & Waterproof Systems

Perforated soundproofing gypsum boards for auditoriums/halls and PVC waterproof ceilings.

3. MATERIAL QUALITY & EXECUTION FRAMEWORK

Tailored Material Packages for Every Budget

We partner with leading global brands as well as certified, high-performance local manufacturers to offer transparent pricing without compromising structural integrity:

- **Standard & Commercial Grade:** High-density, tested local plasterboards, heavy-gauge GI framing, and pure POP—delivering exceptional finish and value for competitive per-sq.-ft. budgets.
- **Premium & Architectural Grade:** Global brand-certified systems (Saint-Gobain Gyproc, USG Boral, Armstrong, Trimurti) for strict corporate or architect specifications.
